Minutes of the Meeting
17 June 2015

With Mike Stansberry in charge, we began the meeting at 1920. Introductions were done all around the room. The previous meeting minutes were accepted. The treasurer's report was accepted.

Under New Business, we discussed getting a new computer (laptop), all in one printer, router, projector, and a spare lamp for the library's projector. The projector is about $550, laptop $400, doubt if we need a router. A motion was made to spend $1200 total. Dan Huber will research the parts.

Under Old Business, Field Day will begin at noon on Friday. TER and MAP will be operating (for sure). Saturday Pot Luck dinner. The Club will supply the burgers and brats.

There were six members present

The meeting adjourned at 2050.
